## SOFA - TOI & MOI

An extension of the Toi & Moi armchair, this sofa expresses a vision of timeless pieces that blend seamlessly into contemporary interiors. Its sleek silhouette offers classic charm and optimal comfort. Perfectly sized to accommodate two (or even three) people, this modernist sofa offers the intimacy of a loveseat. Its sumptuous upholstery provides exceptional comfort, while its gently rounded back and subtly split armrest provide remarkable finishes, with a slight nod to Art Deco designs.
